The Mixed-up Chameleon

Last week my class took a field trip to a wild animal park. It was so exciting. I could hardly wait to see the big cats.

First I spotted a leopard taking a nap. She looked warm and cuddly. Then I saw a lion with a great mane of hair. He turned his head sideways and roared.

Finally I saw a handsome tiger with thick, striped fur. He lay by a pool of water that was sparkling in the sun light. When he turned and looked at me, I shivered.

I think the big cats are the most interesting animals in the park. They are never dull. 107 words
