

GREA Update: May 24, 2012

To: AREA VI GREA PRESIDENTS AND PAST-PRESIDENTS,

I don't know if Jim has already reminded you of these things, but in case he hasn't I thought I might need to let you know what needs to be done in order to finish-up this year.

 **By June 1st**

1.  Local Unit History Update Form (p. 7 and 9 in planning guide)

 GREA Local Unit Officer Information (p. 45 in planning guide)

A.  Send one copy of each to the State GREA Office:

1) GREA's Address:

GREA
322 Oak Street Suite1
Gainesville, GA 30503

2) or Fax: 770-287-0567

3) or Email: greas3@earthlink.net

B.  Send one copy to (Area Director):

1) Area VI Director's Address:

Anne Miller

Ellabell, GA 31308

2) or email: amillergrea@gmail.com or lamiller_2@yahoo.com

3) or FAX: 912-858-4646

 Give a copy of page 9 and 45 to your scrapbook chairman.

 Put a copy of each in your President's Notebook.

2. Past GREA President Kate Finch would like a final count of the number of can goods that your unit collected this year for her project. Please send this information to me by mail or email.

I have heard that some units have decided to keep this project going for next year, because it touches lives in our own communities.

3. Remember the GREA Area V and VI Meeting is in Baxley, GA

(Baxley Church of God, 353 Blackshear Hwy.) on Thursday, August 23rd.

More information will be coming in a reservation form in July.

4. For Your Information:

A. Remember the Georgia Education Museum Project. If all units will send in \$270 or 3 bricks, they will have the \$40,000 needed for ground breaking.

B. This is one of GREA President Mary Ann McDaniel projects.
